## How to customize the pictures and Title in the Click&DECiDE Banner in the Web Portal?

Date: Last update: April 9th, 2013

#### **Problem:**

Sometimes you would like to replace the Click&DECiDE Logo and the Banner Title with a customized text, and also the Title displayed in the Browser Tab Title.

### **Explanation:**

First of all you must know that the banner only contains picture(s) and no text. This FAQ explains what pictures are concerned. Then, depending on the "themes" there are 1 to 3 pictures. Then the Browser Tab Title contains a text that can also be modified.

Summer	<i>e</i> Click and DE	CiDE Web Portal 🗙	
		Click&DECiDE	

### Solution for the Tab Title:

- open the web.config file located in c:\inetpub\wwwroot\dvweb
- Search for the row:
  - <appSettings>
  - <add key="ProductName" value="Click and DECiDE" />
- Replace Click and DECiDE by you "Company Name" (Be sure that this file is encoded under UTF-8 if your Title contains some characters with accents).
- Save the web.config file
- Refresh the Web Portal

You should see this modification as follow:

me Web Portal 🗙
Click& <b>DECiDE</b>

Or with characters with accents (French, Spanish, Swedish, German etc)

## **Solution for the Banner Picture:**

According to the Theme used in the Web Portal, create your own pictures using the same names and sizes as describe below for each Theme. Note that the Themes can be selected in the Web Portal at the following place:
